Continuation of Substance of Interview including description of the general nature of what was discussed: Attorney for the applicant explains the invention of the current application. The new amendment was discussed especially "preventing the first and second system users' respective downstream and upstream access to unauthorized restricted data information through the use of a foreign key and primary key". Mr. Kennard explains "downstream and upstream access" making reference to the specification. Examiner suggests to applicant's representative to cancel claims 1 - 7; for the rest claims (8 - 28) to be considered for allowance. Mr. Kennard accepts examiner's proposition.
